**Subject:** Thinking of you

Rich, I was at doing trainings as the CI conference when this occurred and have been tracking coverage of the Gold King blowout. It's an area I know well, having owned property in Silverton. You are doing a fabulous job, as always, explaining the situation, but do let me know if you need any assistance at all – including facilitation help down the line. I'm available, off the clock, if you want to touch base. Best as always, Pam
